

Everyone, Meet

# KYLE MAGGARD

---

Kyle Maggard is the Founder and CEO of Over Easy, a healthy snack food company based in Chagrin Falls, OH with the mission to help Americans live healthier and happier lives. In addition to helping to fix the broken food system in America, Kyle is passionate about helping to further develop the entrepreneurial ecosystem in Northeast Ohio and the broader Midwest.

Prior to starting Over Easy, Kyle served six years as an active duty Army Engineer Officer. He holds his bachelor's degree Engineering Management from the United States Military Academy at West Point, where he was a Distinguished Honor Graduate; a master's in Engineering for Sustainable Development from the University of Cambridge, where he was a Rotary Scholar; and has completed MBA coursework at Harvard Business School, where he started Over Easy before ultimately departing to build the business full-time. Kyle is focused on helping entrepreneur's navigate the first few years and critical beginning steps of their journey.

Kyle currently resides in Chagrin Falls, OH with his wife and their three children.
